EAL MFG**CONCRETE PRODUCTS & ACCESSORIES****President:** Ray Harper - rharper@ealmfg.com**Phone:** 214-630-1154**Website:** ealmfg.com**3912 W Illinois Ave Dallas, TX 75211****Product Name:** #1015 B Broom**Manufacturer:** EAL Manufacturing**Product Description:** B Brooms are water resistant brooms manufactured to install on the rear of a paving machine, to drag across the wet cement for a textured finish, similar to a Tine Broom.**Composition and Materials:** Each Broom is 6' long with 24" long Polypropylene bristles. Each bristle is .140 wide (slightly larger than 1/8"). Base of Broom is 1" x 4" weather resistant wood. The bristles are glued into a slot in the board using two types of moisture resistant hot glue. There is a lattice support board place approximately 10" from tips of bristles to keep the tips in place and prevent separation.**This product is manufactured in the United States of America.**
